PURPOSE OF SPONSORSHIP: : Vaishnavi is good in her studies, and she has a great desire to become a doctor. She is good in drawing and painting. Her father is working in a private factory as a labourer to earn their living. The parents find very difficult to manage the daily expenses of the family and to give good education to the children.

RECOMMENDATION: As the family is poor, and the parents have great desire to educate their children, I recommend this case for the financial assistance of child's education.
