PURPOSE OF SPONSORSHIP: Savio is good in his studies, and he takes active part in extracurricular activities. He likes to play football. The father is working as a security guard in a private Institution. He finds very difficult to pay the house rent and other expenses of the family and also to give good education to the children.

RECOMMENDATION: As the parents have a great desire to educate the children, and as they don't have sufficient fund to educate the children, I recommend this case for the financial assistance of child's education.
