**PURPOSE OF SPONSORSHIP:** Suchitha is interested in his studies. He is active in the school and its activities. He likes to play cricket. Though his father is a graduate, he got a small job as a peon in a private office and his salary is very small to meet the needs of the family. His parents have a great desire to educate their children.

**RECOMMENDATION:** As the parents have great desire to educate their children, I recommend this case for the financial assistance of child's education.
