PURPOSE OF SPONSORSHIP: Svitalana is a smart girl and is very good in her studies and score good marks. She says that she wants to become a teacher. Her, father is working in a factory as a labourer and earns his wages to maintain his family. He finds very difficult to give good education to the child and to bear the expenses of the daily needs.

RECOMMENDATION: As the father is the only earning member of the family, I recommend this case for the financial support of child's education.
