PURPOSE OF SPONSORSHIP: Savio is good in his studies. He enjoys playing football. He can act well. His father is working in a private factory as a daily wage. His wages are hardly enough to bear all the expenses of the family and to give good education to the children. The parents have great desire to educate their children.

RECOMMENDATION: As the parents have a great desire to educate their children, I recommend this case for the financial assistance of child's education.
